WE ARE HIRING!

State Center Community College District is currently seeking part time faculty and classified professionals who share its commitment in empowering our colleges in their efforts to promote exemplary educational opportunities and to provide safe, inclusive, and supporting learning environments leading to student success and global competitiveness which will transform our region. We strive to attract and retain a qualified and professional workforce that is committed to providing an academic environment that is welcoming and inclusive and to empower classified professionals, faculty, and administrators to provide exceptional programs and services to our diverse student population.

Minimum Qualifications

Part-time faculty positions: Master's degree or higher in the discipline is typically required to teach in academic areas and an associate degree with six years of experience or a bachelor's degree with two years of experience for vocational disciplines where a master's degree is not required.

Classified positions: *The minimum qualifications for Classified positions vary by classification.*

Bring Your Resume!

You will have the opportunity to speak with representatives from the colleges and district.
